### Summary

Web Developer with a strong commitment to my profession. I have the skills and expertise essential to make your project a success, having worked as a professional Web developer for over 3 years. I appreciate every phase of the design process, from brainstorming and collaboration through idea and execution, but seeing the completed product perform exactly as it was intended brings me the most delight.

### Skill Highlights

- HTML, CSS, Bootstrap
- JavaScript, JQuery
- WordPress
- PHP, MySQL
- Responsive design
- Complex problem solver
- Innovative

### Experience

**Web Developer - 2019 to Present**

- Collaborate with designers to develop clear, straightforward interactions and experiences with clean interfaces.
- Create project concepts and ensure a smooth process.
- Manage big, complicated design projects for corporate customers with the help of a senior developer.
- Complete extensive programming and development work for public and internal front-end websites, as well as complex server-side code.
- Conduct quality assurance tests to identify flaws and improve usability.

### Education

Bachelor of Science: **Computer Science and Engineering** - 2020  
**Daffodil International University**, Dhaka, Bangladesh
